REMEMBRANCE DAY

Pause to Remember

11-11-11

MONDAY, NOVEMBER 11, 2019

In Flanders fields the poppies blow
between the crosses, row on row,
that mark our place; and in the sky
the larks, still bravely singing, fly
scarce heard amid the guns below.

We are the dead. Short days ago
we lived, felt dawn, saw sunset glow.
Loved and were loved, and now we lie,
In Flanders fields.

Take up our quarrel with the foe:
to you from failing hands we throw
the torch; be yours to hold it high.
If ye break faith with us who die.
We shall not sleep, though poppies grow
In Flanders fields.

Snow Clearing

During the winter months, Public Works will be doing a combination of pushing the snow onto the boulevards and streets, and hauling the snow away. Public Works will be putting signage up in areas prior to major snow clearing asking people not to park on the street. Violators will be tagged and towed at their expense. Public Works also asks that people do not shovel their sidewalks onto the street after they have gone by with the equipment. When you see the equipment working please be patient and courteous and give them room to work.

FIRES CAN HAPPEN! ARE YOU COVERED!

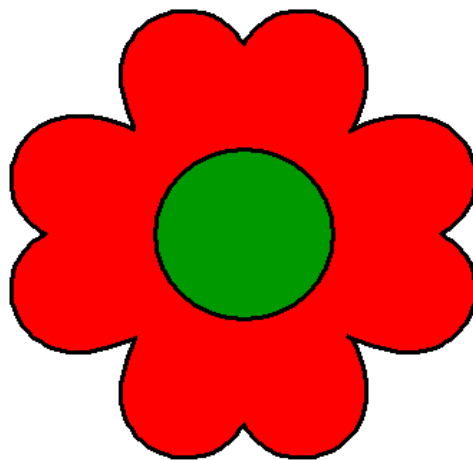

Did you know that the cost of fire suppression by the fire department for structure, grass or vehicle fire is payable by the property owner? In our region, we have seen structure fires as high as \$28,000 and wildland fires as high as \$12,000.

- Be sure to check your home insurance policy or talk to your insurance agent about what exactly your policy covers and how much it covers
- Besides inquiry about your home structure fire insurance, we encourage you to have a conversation with respect to wildland insurance (a grass fire that could happen that never reaches a building).
- Be advised that should the fire department be dispatched to your residence as a result of a home alarm, a false alarm or, for example, a passerby sees smoke and calls 9-1-1, you, as the property owner, will receive an invoice for these call outs.
- If the fire department is dispatched to assist Alberta Health Services with respect to a medical call you will not be invoiced. This is a free service provided by North West Fire Rescue through Onoway Regional Fire Services.
