Dear Sir or Madam

The Onoway United Church Thrift Shop which operates out of the north end of the Onoway Curling Rink has become aware of evidence that an unhoused person has been sleeping in our garbage bin. Although the bin had been locked the pin on the hinge was removed to gain entrance and cardboard had been placed on top of the contents. It appeared that the cardboard had served as a mattress.

The United Church wishes to inform you that there may be an unhoused person problem within the boundaries of the Town of Onoway. The United Church is willing to work with the Town in finding a solution to the unhoused problem. Please feel free to call Rev. Chang Lee at
or Greg Woronuk at

Sincerely yours,

Lucy Strobl
Secretary Onoway United Church Thrift Shop
