CARRIED

DISCUSSION / OPTIONS / BENEFITS / DISADVANTAGES

Recently, Administration received an email from Lac Ste Anne County (LSAC) that they have received 2 Requests for Information (RFI) regarding the Onoway Regional Medical Clinic Company Pre-Incorporation Agreement. As a result of the requests, LSAC is reaching out to all parties within the agreement and requesting to share the agreement with the public. Unless all parties of the agreement are in favour of sharing the agreement with the public, it would need to be redacted before sharing with the public. Administration has reviewed the agreement, and no apparent risks exist in sharing the agreement with the public therefore Administration recommends sharing the agreement with the ratepayers.
