MESSAGE FROM MAYOR LENARD KWASNY

As we are approaching midwinter, it is time to start thinking of beautification plans for the summer in Onoway. We are always seeking volunteers and new ideas on how to make Onoway stand out. If you have ideas and some spare time, please contact our administration office at 780-967-5338.

It is with a heavy heart that I express my condolences to the family and friends of Tyler McCoy who recently passed away. Tyler was very active in our community and will be greatly missed.

With the recent temperature swings, it been challenging for Public Works to remove snow and ice off the roads.

Deputy Mayor Lisa Johnson and Councillor Bridgitte Coninx have completed their elected officials education program (EOEP) courses and received the Municipal Elected Leaders Certificate. EOEP provides Alberta's municipal elected officials with professional development opportunities and ensure that they are well-positioned to serve their communities effectively. Well done Deputy Mayor Johnson and Councillor Coninx!

Lac Ste. Anne County recently had a fire at their Lisburn Public Works yard and had a loss of road clearing equipment. The Town of Onoway has stepped up and offered to provide the County with assistance where possible and has lent the sanding truck after the last snowfall. Neighboring municipalities have also been providing the County with assistance.

There are two days in February that we celebrate – Valentines Day and Family Day. Both these days provide opportunities for family and friends to get together. There's a free skate on Family Day that residents may enjoy.

That is all for now, it has been a quiet month. I will provide more updates in March.

During the winter months, Public Works will be doing a combination of pushing the snow onto boulevards and streets and hauling the snow away. Public Works will be putting signage up in areas prior to major snow clearing asking people not to park on the street. Violators will be tagged and towed at their expense. Public Works also ask that you don't shovel your sidewalk snow onto the streets after they have already gone by with the equipment. **FOR YOUR OWN SAFETY – DO NOT APPROACH TOWN VEHICLES/EQUIPMENT AT ANY TIME WHILE THEY ARE OPERATING IN THE TOWN.** Please contact the office if you have questions or concerns - **780-967-5338**
