INDEPENDENT AUDITORS' REPORT

To the Mayor and Council of the Town of Onoway

Report on the Financial Statements

We have audited the accompanying financial statements of the Town of Onoway, which comprise the statement of financial position as at December 31, 2012, and the statements of operations and accumulated surplus, changes in net debt, and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of the Town of Onoway as at December 31, 2012, and the results of its operations and accumulated surplus, changes in net debt, and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

**MANAGEMENT'S RESPONSIBILITY
FOR FINANCIAL REPORTING**

To the Mayor and Council of the Town of Onoway

The integrity, relevance and comparability of the data in the accompanying financial statements are the responsibility of management.

The financial statements are prepared by management, in accordance with Canadian public sector accounting standards. They necessarily include some amounts that are based on the best estimates and judgments of management.

To assist in its responsibility, management maintains accounting, budget and other controls to provide reasonable assurance that transactions are appropriately authorized, that assets are properly accounted for and safeguarded, and that financial records are reliable for preparation of financial statements.

Hawkings Epp Dumont LLP, Chartered Accountants, have been appointed by Town Council to express an opinion on the Town's financial statements.

Wendy Wildman
Chief Administrative Officer

The accompanying notes are an integral part of these financial statements.

TOWN OF ONOWAY
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2012

1. SIGNIFICANT ACCOUNTING POLICIES

These financial statements are representations of management prepared in accordance with local government accounting standards established by the Public Sector Accounting Board of the Canadian Institute of Chartered Accountants. Significant aspects of the accounting policies adopted by the Town are as follows:

(a) Reporting Entity

The financial statements reflect assets, liabilities, revenue and expenditures and changes in fund balances and changes in financial position of the Town. This is comprised of the municipal operations plus all of the organizations that are owned or accountable to the Town Council for the administration of their financial affairs and resources.

The schedule of taxes levied also includes requisitions for education, health, social and other external organizations that are not part of the municipal reporting entity.

The statements exclude trust assets that are administered for the benefit of external parties.

(b) Basis of Accounting

Revenues are accounted for in the period in which the transactions or events occurred that gave rise to the revenues.

Funds from external parties and earnings thereon restricted by agreement or legislation are accounted for as deferred revenue until used for the purpose specified.

Government transfers are recognized in the financial statements as revenue in the period that the events giving rise to the transfer occurred, providing the transfers are authorized, any eligibility criteria have been met by the municipality, and reasonable estimates of the amounts can be made.

Expenditures are recognized in the period the goods and services are acquired and a liability is incurred or transfers are due.

(c) Use of Estimates

The preparation of financial statements in conformity with the accounting principles for local governments established by the Canadian Institute of Chartered Accountants requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenditures during the period. Where measurement uncertainty exists, the financial statements have been prepared within reasonable limits of materiality. Actual results could differ from those estimates.

(d) Land Held for Resale

Land held for resale is recorded at the lower of cost or net realizable value. Cost includes costs for land acquisition and improvements required to prepare the land for servicing such as clearing, stripping, and levelling charges. Related development costs incurred to provide infrastructure such as water and wastewater services, roads, sidewalks, and street lighting are recorded as physical assets under their respective function.

(CONT'D)

TOWN OF ONOWAY

NOTES TO FINANCIAL STATEMENTS (CONT'D)

DECEMBER 31, 2012

1. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

(e) Tangible Capital Assets

Tangible capital assets are recorded at cost which includes all amounts that are directly attributable to acquisition, construction, development or betterment of the asset. The cost, less residual value, of the tangible capital assets is amortized on a straight-line basis over their estimated useful lives as follows:

Engineered structures	
Water systems	45 - 75 years
Wastewater systems	75 years
Roadways	10 - 20 years
Storm systems	75 years
Buildings	25 & 50 years
Machinery and equipment	5 - 33 years
Vehicles	10 years

Tangible capital assets received as contributions are recorded at fair value at the date of receipt and also are recorded as revenue.

Works of art for display are not recorded as tangible capital assets but are disclosed.

(f) Prepaid Local Improvement Charges

Construction and borrowing costs associated with local improvements are recovered through annual special property assessments during the period of the related borrowings. These levies are collectible from property owners for work performed by the Town.

Where a taxpayer has elected to prepay the outstanding local improvement charges, such amounts are recorded as deferred revenue. Deferred revenue is amortized to revenue on a straight-line basis over the remaining term of the related borrowings.

In the event that the prepaid amounts are applied against the related borrowings, the deferred revenue is amortized to revenue by an amount equal to the debt repayment.

(g) Under-Levies and Over-Levies

Under-levies and over-levies arise from the difference between the actual levy made to cover each requisition and the actual amount requisitioned.

In situations where the actual levy is less than the requisition amount, the under-levy is accrued as a receivable and reflected as property taxes. If the actual levy exceeds the requisition, the over-levy is accrued as a liability and property tax revenue is reduced.

Requisition tax rates in the subsequent year are adjusted for any under-levies or over-levies of the prior year.

2. CASH AND TEMPORARY INVESTMENTS

	<u>2012</u>	<u>2011</u>
Temporary investments	\$ 300,000	\$ -
Operating account	100,417	569,708
Cash on hand	<u>600</u>	<u>600</u>
	<u>\$ 401,017</u>	<u>\$ 570,308</u>

Temporary investments consist of a guaranteed investment certificate bearing interest at 1% and maturing April 3, 2013.

TOWN OF ONOWAY

NOTES TO FINANCIAL STATEMENTS (CONT'D)

DECEMBER 31, 2012

12. SALARIES AND BENEFITS DISCLOSURE

Disclosure of salaries and benefits for municipal officials, the chief administrative officers, and designated officers as required by Alberta Regulation 313/2000 is as follows:

	<u>Salary</u>	<u>2012 Benefits and Allowances</u>	<u>Total</u>	<u>2011 Total</u>
Town Council				
Roberts	\$ 6,642	\$ 1,502	\$ 8,144	\$ 11,497
Krasnow (Mayor)	8,374	295	8,669	9,060
Walker	6,772	1,689	8,461	7,403
Harrison	4,996	3,798	8,794	6,903
Feth	<u>4,609</u>	<u>69</u>	<u>4,678</u>	<u>4,203</u>
	<u>\$ 31,393</u>	<u>\$ 7,353</u>	<u>\$ 38,746</u>	<u>\$ 39,066</u>
Chief Administrative Officers				
Wildman	\$ 96,914	\$ -	\$ 96,914	\$ 46,101
Griffiths	<u>-</u>	<u>-</u>	<u>-</u>	<u>22,814</u>
	<u>\$ 96,914</u>	<u>\$ -</u>	<u>\$ 96,914</u>	<u>\$ 68,915</u>

Salary includes regular base pay, lump sum payments, gross honoraria and any other direct cash remuneration.

Benefits and allowances include the employer's share of all employee benefits and contributions or payments made on behalf of employees, and the employer's share of the costs of any additional taxable benefits.

13. FINANCIAL INSTRUMENTS

The Town's financial instruments consist of cash, receivables, accounts payable and accrued liabilities, and long-term debt. It is management's opinion that the Town is not exposed to significant interest, currency or credit risk arising from these financial instruments. Unless otherwise noted, the fair values of these financial instruments approximate their carrying values.

The Town is exposed to credit risk with respect to receivables. Credit risk arises from the possibility that customers may experience financial difficulty and be unable to fulfill their obligations. The large number and diversity of customers minimizes the Town's credit risk.
